

Let The *Field Trip* Adventure Begin

A School Tour at the Bushplane Museum is fun and educational. Students enjoy hands-on experiential learning that meets the needs of the teacher and, if desired, the curriculum. Let us bring the theory of flight to life or inspire your budding aviators!

Non-Curated Field Trip (Self-Guided)

This is a self-guided field trip with no space for nutrition breaks or specialized programming. Groups will get an unguided access to the Bushplane and Entomica.

\$7.08 + tax per student and \$10 + tax per adult.

Curated Tour

Includes a one-hour guided tour of CBHC and self-guided access to Entomica

\$10.62 + tax per student and \$10 + tax per adult.

Joint Curated

Includes a 1-hour educational program in Entomica or bugout experience, a 1-hour guided tour of the Bushplane and an area for a nutritional break.

\$12.39 + tax per student and \$10 + tax per adult.

Curated Tour with Curriculum-Based Lesson Plans.

Curriculum-based 2-hour education package. Bushplane tour and private viewing of the *Wildfires* film and self-guided access to Entomica. This program includes cross-curricular integrated learning strategies that align with the Ontario 2022 Curriculum. (See website for breakdown of curriculum detail by grade.)

\$12.39 + tax per student and \$10 + tax per adult.

Grade Six Theory of Flight Program*

Curriculum-based 4 hour education package designed around the Flight strand of the Ontario 2022 Grade 6 Science Curriculum. Interactive lesson plans, hands-on experiments, guided tour, private viewing of the *Wildfires* film.

\$13.27 + tax per student

***Entomica's 30 minutes of Science of Flight programming session added to Theory of Flight Program - flat rate fee if applicable \$100 + tax.**
